

# 1 Affordability

**73%** PASS THE CRITERIA FOR AFFORDABILITY

**27%** FAIL THE CRITERIA FOR AFFORDABILITY

People are most likely to fail the Standard due to affordability. Worry that rent or mortgage payments would rise and become difficult to pay is the main reason households fail this dimension.

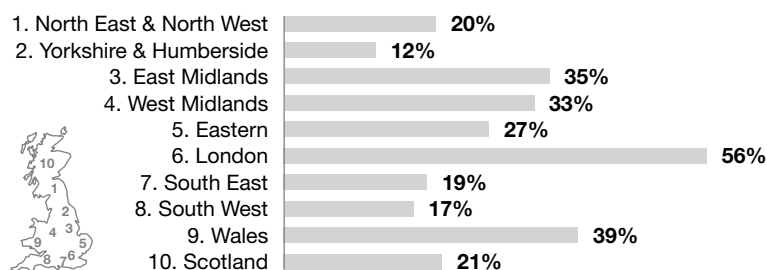

‘Aside from a home over their head, each person should be in a position to afford modest everyday experiences which add to their mental and physical wellbeing.’

## % PEOPLE WHOSE HOMES FAIL CRITERIA FOR AFFORDABILITY BASED ON:

### TENURE

### REGION

### PROPERTY AGE

### CHILDREN IN HOUSEHOLD

### AGE OF HOUSEHOLDER
